Henry Boucher Esq
Chairman, The Walcot Foundation.

Dear Henry,

I write to thank you, and all the Governors and staff at Walcot for the magnificent thank you you gave me yesterday. It will be in regular use and a constant reminder of so many happy, and fulfilled years with Walcot; to have seen it grow from what was, in effect, a small scale local housing trust, into its rightful role as an innovative and enabling educational institution in the whole of Leicestershire and beyond.

Walcot will always remain deeply embedded in my affections and I hope to keep in touch and maybe meet from time to time. Meanwhile with my good wishes to you all for the challenges that lie ahead.

With renewed thanks,

Sincerely

Gerry.
