Creative Sparkworks	Creative industries	This project will provide a 1:1 job searching service, access to a wide range of in-house vocational/educational courses and direct links to employers via sector-specific pre-employment training (PET) courses. Focused on Tulse Hill and surrounding wards.				Paula	Da Costa	paula@creative-sparkworks.org
High Trees	Vocational training, Job brokerage, Youth Hub	Spiral will offer skills development, well-being support, job search, 121 Mentoring and IAG advice as well as connecting yp to employers, further education/training and opportunity providers. They provide wrap-around support and use interactive resources to focus on practical skills building. The programme will also offer all participants the chance to access group employability/networking workshops and industry-specific recruitment events.	Esther	Mutisya	esther.mutisya@high-trees.org	Andrew	Rose	andrew.rose@high-trees.org
Spiral Skills C.I.C	Work experience, Skills development	A catering sector-specific project, run in collaboration with Kata Kata Restaurant, Cafe Van Gogh, and The Old Post Office Bakery in order to develop the employability skills of participants with disabilities and learning difficulties. Work experience, certified training and soft skills development will be on offer to participants interested in pursuing a career in catering/hospitality as well as intensive job search support.	Aurora	Arista	aurora@myspiral.co.uk	Benjamin	Kahn	ben@myspiral.co.uk
Toucan Employment	Learning difficulties and disabilities, Hospitality and catering		Michelle	Mathurin	michelle@toucanemployment.org	Alex	Margolies	alex@toucanemployment.org
Unity Works	Learning difficulties and disabilities, Training, Qualifications, Wellbeing	This project will provide young people with learning disabilities with a Lambeth-specific Employment Advisor in order to help them identify and apply for jobs that interest them. The project will consist of access one-to-one sessions, small group employability courses and the opportunity to acquire NVQ accreditations in catering, hospitality or warehouse management. These activities will be complemented by a wider well-being offer, access to a London-wide Jobs Broker and disability confident training for employers.	Mary	Kelly	Mary.kelly@unityworks.org.uk	Helen	Smith	Helen.smith@unityworks.org.uk
Rising Stars Support	Fitness, Security, Construction, Martial Arts	This project will provide mentoring and employment support to unemployed or not economically active Lambeth residents. RSS will offer weekly employability workshops in Brixton, 1:1 mentoring, access to martial arts training and the opportunity to complete vocational qualifications in fitness instructing, security and construction. Individuals who progress into work will continue to receive mentoring for 6 months in order to help them retain jobs.				Shane	Bakara	shane@risingstarsupport.com
ML Community Enterprise	Criminal Justice, Therapeutic services	Employment readiness project which tackles the multiple and complex reasons high-risk young adults struggle to progress into employment and long-term positive outcomes. As part of each individual plan, it is expected that applicants will receive at least 30. hours of 1:1 support and 12 hours of therapeutic intervention. Plans could also include health and well-being support (e.g. substance misuse), work tasters (barbering/beauty) and soft skills workshops (work etiquette, interpersonal skills).	Joanne	Dale	joanna@mlcommunity.co.uk	Ira	Campbell	ira@mlcommunity.co.uk
Streatham Youth and Comm Youth Hub, Driving		Two 14-week training programmes that will work with small cohorts of long-term NEET young people. They will mostly be onboarded via contact with the SYCT Youth Hub and wider youth provision and supported to work through a programme of individually tailored support. This could involve english and maths, confidence building, mindfulness, work-related training and placements and finally access to intensive driving lessons and a full license.
